9415

Flashlight

9410L + SAFETY = 9415
Everything that's great about the 9410L LED Lantern, plus safety certifications
At just 3 pounds and 588* lumens, the new 9415 LED Lantern packs the power without the weight. Four LEDs, powered by the latest generation Ni-MH batteries illuminate a distance of 314 yards (288* meters). And it's loaded with innovative technology and features you have come to expect from Pelican. Whether you're on a USAR team or the 3rd shift at a refinery, you'll appreciate the compact size and high output of the new 9415 LED Lantern.

Safety approved for the most volatile work areas, the 9415 LED Lantern is safe and one of the most compact, high output lanterns on the market.

9415 LED Lantern: Lightweight, big LED performance you can trust.

*Performance data is to FL 1 standards
